

# PROTECT A CYCLE STORE

Product Name: Protect-A-Cycle Store

## Product Description:

Protect a Cycle™ is unique – it is the only cycle store which has been tested and certified by the Loss Prevention Certification Board and awarded the LPS1175 Security Rating 1 and in addition has achieved the Police SBD mark (Secure By Design) “Preferred Police Specification.”

## PROTECT A CYCLE™ BENEFITS

Tested and certified by the Loss Prevention Certification Board (awarded the LPS1175 Security Rating 1)

The first and only “Secured By Design – Police Preferred Specification” cycle store. Padlocks, ground anchor and security cable included.

Easy to use – patented spring assisted opening action.

Integral metal base included complete with fixings for securing to concrete.

PVC coated galvanised panels – 25 year guarantee.

Generous size – stores up to 3 adult bikes.

Quality build – all stainless steel fasteners.

Easy assembly – main components are factory assembled.

Fire resistant – complies with National Building Regulations.

Choice of colours – either two tone green or all cream.

## NOTE

Protect a Cycle locker is designed to be bolted down onto a hard (concrete) base which must be flat and level.

The product is supplied complete with two stainless steel hasps with two high security padlocks (Sold Secure Silver Approved) which will deter even the most determined thief – but wait there’s more – because even if the thief does eventually penetrate he is confronted with a Heavy Duty Ground Anchor (again Sold Secure Silver Approved) complete with High Security Cable (Loss Prevention Board tested) which prevents the cycles from being removed.
